

LIFE CHAIN

WHAT IS LIFE CHAIN?

Life Chain is a pro-life public witness that takes place annually across North America, typically on the first Sunday of October. Participants peacefully gather for an hour at a local intersection. They pray quietly for an end to abortion and for those harmed by this injustice, while holding signs with messages like:

- Abortion Kills Children
- Abortion Hurts Women
- Adoption: A Loving Option
- Jesus Forgives & Heals

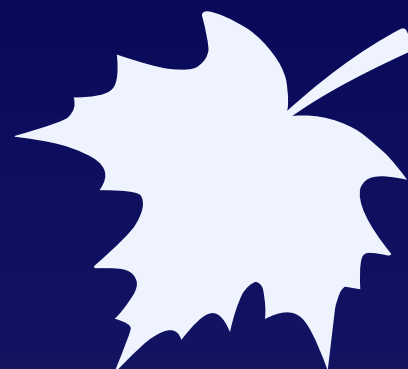

THE PRO-LIFE VIEW

1. It's wrong to kill innocent human beings
2. Abortion kills innocent human beings
3. Therefore, abortion is wrong

It's a scientific fact that a new human being is created at the moment of fertilization. Regardless of age or ability, all human beings are equally deserving of human rights, the most fundamental of which is the right to life. In the face of a crisis pregnancy, the solution is to relieve the crisis by caring, not killing.

DID YOU KNOW? IN CANADA...

- There is zero legal protection for the preborn; a mother may get an abortion at any point in pregnancy for any reason.
- Neither the 1988 *Morgentaler* decision nor the *Charter of Rights & Freedoms* establishes a "right" to abortion.
- Taxpayers spend hundreds of millions of dollars annually funding abortion domestically & in foreign countries.
- Almost 300 abortions happen every day—around 100,000/year.
- Since 1969, 4.5 million+ have been aborted.
- Approximately half of abortions are now committed by chemical means, often at home with a couple of drugs.
